# Call for Papers (Briefings)

Please apply here for **Call For Papers (Briefings)**.

**Closing Date:** 31 August 2023
**Notification to Submitters:** 6 September 2023

1) Complete the form in full
2) Our judging panel will assess your entry
3) You will find out the result shortly after the closing date
4) If accepted, our team will be in touch to coordinate all necessary arrangements

Briefings provide the infosec community with the latest research in information security risks, developments and emerging trends. Security experts from around the globe present their ground-breaking research, new-found vulnerabilities, open-source tools, zero-day exploits, and more. Security topics range from critical information infrastructure to IoT, network defense, mobile devices, applied security, and everything in between.

Each session will last either 20 or 40 minutes, based on your preference, and you are welcome to submit up to 3 entries.

Black Hat Middle East & Africa 2023 will take place from 14-16 November 2023 at the Riyadh Exhibition & Convention Center, Malham, Riyadh.

| Yes |
| No |

Please be aware that Black Hat MEA is a live, in-person event, being hosted in Saudi Arabia.
Should your submission be approved, you will be expected to travel and present in person.

☐ I Agree

Please upload any files that your consider would support your application.

Material may be supplied as follows:

1. Upload JPEG or PDF files. Maximum file size is 5MB per piece. A maximum of five pieces can be uploaded with your entry.
2. Video attachments may be hosted on a video site such as YouTube or Vimeo.
3. Provide website URLs to the publicly accessible campaign or active URL of a landing page. Please ensure any applicable usernames and passwords are provided and active.
4. Please do not upload any further written material as the judges will not consider these. The written component of your entry should be fully explained within the provided form fields.
